Dear Sir:

Applicants still await a decision regarding their petition *filed nearly 18 months ago*. Accordingly, please advise as to the status of the above-captioned application, including an indication of when this matter will be withdrawn from abandonment.

- The undersigned previously filed a status inquiry May 11, 2006.
No response was received.
- The undersigned again filed another status inquiry on January 3, 2007.
No response was received.
- The undersigned made repeated phone calls to, and eventually left a phone message with, the Petitions Office on December 1, 2006.
No response was received.

The undersigned was finally able to reach a live person at the Petitions Office by telephone on February 26, 2007. The undersigned was informed that the petition would now be assigned to someone to review. Nonetheless, the undersigned is (understandably) concerned that this case will continue to be ignored.

Therefore, the undersigned again requests the status of this case.

The undersigned further requests that the petition be reviewed on an expedited basis, given that this petition must surely be the oldest unanswered petition before the Office.

Respectfully submitted,

Dated: February 26, 2007
